Introducing
dp-limitless

dp-limitless is a range of specialised decorative and high performance products available in a limitless number of possibilities. There is no commitment to purchasing in bulk, the offer is deliverable from single sheets up to full load quantities – from stock.

dp-limitless provides a limitless offer of surface finishes bonded with a high strength PUR glue line to the substrate of choice.
Surfacing materials including various HPL laminate collections, Senoplast acrylics, 2mm Senoplast acryl glass, RAUVISIO Rehau crystal collections, textured surfaces, real stone veneers, faux leathers, natural wood veneer laminates, technical surfaces and of course unique.

The dp-limitless collection comprises one off surface finishes providing contemporary and traditional bespoke surface solutions, all manufactured in the UK.

available in quantities
as little as one board

technical

A range of technical decorative surface finishes offering a wide range of benefits. Laminated technical surfaces are highly durable, offer stain resistant properties and some even have a soft touch anti-finger print surface finish. All are easily cleaned and can all be processed using traditional woodworking machinery.

Available as standard in sheet size 3050 x 1300 x 15 or 18mm laminated on MDF and 2440 x 1220mm dp-lite hollowcore in a variety of thicknesses in quantities from as little as one board.
