RENOLIT

Rely on it.

For the dreamed up finishes that nature cannot provide Ocean Drive is a unique heavily textured 3D design available in three finishes. A decorative surface ideal for indoor use and in the production of high quality furniture components, wall and ceiling panels, shop fit outs and many more architectural solutions. Made from a Wood Plastic Composite coated with a polyolefin based film Ocean Drive is at the cutting edge of design. Available as standard in sheet size 2440 x 1220mm in thicknesses from 9 to 25mm laminated on MDF and 2440 x 1220mm dp-lite hollowcore in a variety of thicknesses in quantities as little as just one board.
